

## think! Youth Entrepreneurial Camps Summer 2008

The Missouri Women's Business Center proudly held our 2nd annual think! Youth Entrepreneurial Camp in June. The think! Camp is an educational summer camp for high school aged girls to learn the basics of starting and running a business. This year we had 11 girls from University Academy attend the camp, held at Cottey College in Nevada, MO. The girls spent the week living in the dorms and working together to learn entrepreneurial skills. The week culminated in each girl creating and presenting a business plan, with the top 2 business plans receiving prizes.

Jamila Shields won the top prize with her business plan for an African AIDS clinic for children. All of the girls did a wonderful job and worked very hard. For more information on the think! Youth Entrepreneurial Camp or to help us fund next year's camp, go to [www.missouriwbc.com/pages/whatsnew.html](http://www.missouriwbc.com/pages/whatsnew.html).
